## Letter From the President:

### Happy Holidays Everyone!

Can you believe that we are in the final month of the year? December is a month full of various celebrations, throughout the world actually! Fortunately, we live where we can celebrate them in our own ways and with those we choose to gather with. I simply ask that however, whenever or wherever you may find yourself, please be safe and enjoy your activities. And if you aren't able to attend some type of gathering, there are always great shows and movies on TV this time of the year, so relax and enjoy them if you can!

December is another busy month at the Silver Center. We are blessed as we continue to host many events and meetings, plus we serve a wonderful lunch! And if you haven't checked out our lunches lately, you are really missing out on what our cook LuAnn and our staff serve! They truly do not disappoint! You can call the day before or first thing in the morning and find out what is on the menu and get your meal ordered.

We will be having dances and many, many activities this month. Remember to get your Friday night dance tickets in advance for a discounted price. And our Holiday Raffle is underway and the winning tickets will be drawn on December 13th at the Wrangler Country dance. You need not be present to win. You cannot win if you don't buy tickets! They are available at the Center and from our board members.

We are excited to be having a New Year's Eve dance this year with The Gabe Galvan Band. I guarantee that will be a great evening to usher in 2025! Tickets are still available, but don't wait too much longer because we are expecting a sell out! Come and enjoy our beautiful, safe and clean facility where we have ample parking available.

Last, but not least, please remember that the Silver Center is a 501(C)3 Non-Profit organization. When considering end-of-year charitable contributions, we would appreciate your support so that we can continue to be a part of our great community!!

Stay safe everyone and happy holidays from our Silver Center family to yours!!

**Rosie Van Booven**

## HELLO FROM THE FRONT DESK....

In my book, December is a month of love. God gave all believers the ultimate gift of love and everlasting life through the birth of his son, Jesus Christ. Many people look at December as a month of giving gifts to their families. I hope you look at the Christmas lights and decorations and marvel in their beauty and think back on some of your very best memories of holidays spent with family and friends! Memories are the treasures you keep long after the gift has gone away. Make a memory this month!!!

We have not one, but THREE great dances this month! We hope to see you here!

**WRANGLER COUNTRY Dec 13**

**BYRON ZIP Dec 27**

**GABE GALVAN 12/31 New Year's Eve**

Tables are still available for all of these great dances!

Please purchase your presale tickets ASAP...  
BECAUSE WE WILL BE CLOSED THE WEEK OF  
CHRISTMAS UNTIL THE NEW YEAR EXCEPT  
FOR DANCES.... **(830)303-6612. Call today.**

Please leave a message if you don't get Pat on the phone.

I hope you have a very BLESSED Christmas and New Years!

With love,  
Glenda

## Smile Awhile

by Velma Buie

A Professor of Logic was attempting to teach his younger son the Principles of Clear Thinking, and the necessity for defining all terms. He pointed to a wall clock which had just stuck on the hour. "Now if I were to take a hammer and smack the clock—could I be arrested for killing time?" "No", said the son, without a moments hesitation. "It would be self-defense!" The Professor frowned and asked, "how did you figure that out?" "Because the clock struck first."

Professor asked the class: If I am going down this incline, and I gain four feet every second, what would be my condition at the end of 25 seconds?

Student answered: You would be a Centipede!

Do all turkeys have wishbones, Mommy? Yes, dear daughter. Then why don't they all wish that Christmas never comes?!?

Daddy, I found this bikini lying on the beach. Well done, son, now come with Daddy and show me exactly where you found it. :0)

I get the hardest part of the day's work done before breakfast. What part is that? Getting up!!

The Greeks liked this joke about the absent minded professor. There were twin brothers and one of them died. Sometime later, the Professor met the survivor and said to him..."let me see now, was it you who died or was it your brother?"

Joe had no luck on his fishing trip, so he stopped at the Fish Market. He said to the clerk, pick me out the five biggest trout and toss them to me. Why toss them? So I can tell my friends that I caught them! I may be a poor fisherman BUT I am no liar!!

The bus was jammed, when a big fat woman entered. She stood and glared at all the seated passengers..."Isn't there a gentleman on this bus, who would offer me a seat?" she asserted loudly. A small sailor jumped up, "Well", he volunteered, "I'm willing to make a contribution".
